8. MOU with Fine print Legal Technology Pvt Ltd. Ahmadabad(2022-2023)

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding ("MoU") is made on the 21st day of January 2022 (the "Execution Date") at Wardha, Maharashtra by and between;

Fineprint Legal Technologies Pvt. Ltd., a company incorporated under the laws of India, having its registered office at "406 Kaivanna, opp. Sefron, Panchwati 5 Rasta Ambawadi, Ahmedabad, Gujarat, India - 380009" (hereinafter referred to as "**Company**" which expression, unless repugnant to the subject or context therein, shall mean and include its permitted assigns and successors)

AND

[**Shri. Shankarprasad Agnihotri College of Engineering, Wardha, Maharashtra(IN)**], having its registered address at "[Ramnagar, Bapuji Wadi, Wardha, Maharashtra 442001]" (hereinafter referred to as the "**Institution**" which expression, unless repugnant to the subject or context therein, shall mean and include its permitted assigns and successors)

(The Company and the Institution are wherever the context so requires or permits, hereinafter collectively referred to as the "Parties" and individually as "Party")

WHEREAS:

- A. The Company is a tech start-up and is, *inter alia*, engaged in the business of assisting students, academic institutions, and HR organizations/professionals through its chatbot operating under the name and style of "ILA." ILA provides a complete set of functions, ranging from CV building assistance and job-hunting to evaluating offer letters and drafting contracts, among other things.
- B. The Company owns and operates a software name "ILA for placement" which help and enable the students to build their CV by using robotic process automation systems.
- C. The Institution provides various courses in the field of Engineering.
- D. The Company has offered the Institution to avail the "ILA for placement" software services for the benefit of its students, and the Institution has agreed to join hands with the Company on the terms and conditions more particularly enumerated under this MoU.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES OUTLINED IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

1. COMMERCIAL ARRANGEMENT

- 1.1 Subject to the terms of this MoU, during the Term the Company shall provide its Software named "ILA for Placements", (hereinafter referred to as the "Software") a manual CV builder software which will help students studying in the Institution (for sake of brevity "Students") in creating their CV in just a few minutes, to the Institution.
- 1.2 The Institution may enter into a definitive agreement with the Company to avail 'ILA for placement' software services based on the feedback that it receives from the Students.

2. ROLE AND RESPONSIBILITIES OF INSTITUTION

The role and responsibilities of the Institution shall be as follows:

- (a) The Institution shall assist the Company to provide all the relevant details required for the advertising and promotion of its Software amongst the Students.
- (b) the Institution will provide the necessary support to Students on the technology and in-house requirements.
- (c) Institute shall promote the use of Software on its website.
- (d) Institute shall cooperate fully and in good faith with the Company to preserve and protect Company's right in the Software and its brand name, logos, etc. and shall not, at any time, do or permit to be done any act which may in any way impair or prejudice Company's rights, title and/or interest in the Software and other intellectual properties.
- (e) Institute shall co-operate and provide any necessary assistance as may be reasonably required by the Students and the Company and shall take all necessary steps in relation to the promotion of the Software.
- (f) The Institution shall update the Company on the feedback it receives from Students and provide suggestions to the Company, if required, based on its industry experience.

(g) In the event, the Institution decides not to enter into a definitive arrangement, it shall provide a reason for the same while intimating the Company in this regard.

3. TERM AND TERMINATION

3.1 The term of this MoU shall be for a period of [6 months to 1 year], with automatic renewal of subscription(hereafter the "**Term**").

3.2 The Parties shall have a right to terminate this MoU by giving 7 days' notice.

3.3 The MoU shall automatically terminate upon execution of the definitive arrangement between the Parties as envisaged under this MoU.

4. CONFIDENTIAL INFORMATION

4.1 For the present arrangement being entered between the Parties captured under this MoU, the Company ("**Disclosing Party**") shall be required to disclose Confidential Information (defined hereinafter) to the Institute ("**Receiving Party**").

For the purpose of this Clause, "**Confidential Information**" shall mean and include any information pertaining to the Purpose, disclosed or made available to Receiving Party by the Disclosing Party to this Agreement, including, inter alia, (a) confidential and proprietary information of the Disclosing Party and/or all other information belonging or relating to the Disclosing Party's business that is not generally known by the public at large; (b) the Disclosing Party's products, processes, methodologies, systems techniques, programs, data, software, documentation of developed systems, improvements, developments, techniques, business or marketing plans, strategies, forecasts, licenses, prices or lists of the Disclosing Party, business and financial affairs, personnel matters, operating procedures, organization responsibilities, marketing matters; (c) any and all patent, trademark, copyright, and other proprietary rights of any kind whatsoever, any and all works in any medium whatsoever that refer to, relate to, incorporate, include, analyse or utilize such proprietary information, including but not limited to improvements and modifications thereto and derivations therefrom; (d) the terms and conditions of this MoU; and (e) any and all information that may be developed or created, in whole or in part, directly or indirectly, from such information, including all notes, summaries, analyses, compilations and other writings.

is" and that no representation or warranty (express or implied) is made by any Person as to the accuracy, reliability or completeness of any of such Confidential Information. Accordingly, the Receiving Party recognizes that the Disclosing Party shall have no liability to the Receiving Party, its Representatives or any other Person resulting from the Receiving Party's reliance on or use of the Confidential Information and the Disclosing Party and its Representatives shall not owe any duty of care to the Receiving Party, its Representatives and/or to any other Person or be under any obligation to provide further information, to update the Confidential Information or to correct any inaccuracies. The Disclosing Party does not guarantee the accuracy or completeness of the Confidential Information and cannot be held responsible for any errors or omissions it may contain.

- 4.8 The Company shall have no liability to the Institute, Students or any other Person for any damage sustained such parties as a result of such party's use of the Software, whether such damages would arise as a result of breach of contract, tort or otherwise. The Institute has tested the Software and relies on its own judgment in utilizing it.
