ABOUT COLLEGE

“The journey of a thousand miles begins with a single step.”

Shri Shankar Prasad Agnihotri College of Engineering, Ramnagar Wardha has emerged as one of the best institutes imparting education in Vidarbha region. To Continue to be one of the best educational institutions in both education and research, and to achieve greater recognition for our efforts in our chosen field of endeavor. This institution will build on its traditional of innovation, value added education and intended satisfaction of students. SSPACE has one PG department including Heat Power and four degree departments including CSE, ENTC, ME, CIVIL, and Science & Humanities with a primary focus on engineering. SSPACE, having an area of 30 acres, is located at Wardha. The campus is divided into clusters of building, various departmental messes and auditoria. There are a total of 2 hostels for boys and girls separately. The annual Science & Technology festival of SSPACE, Wardha, which was started in 2007, is held in the month of March every year & is Vidarbha's largest Science & Tech festival. It comprises various events like competitions, exhibits and talks from guest speakers from around the world.

The annual cultural festival usually held in the month of January is an event hosted by the student body and is the Vidarbha's largest college cultural festival.

Apart from these festivals, various other engineering streams based festivals are also being organized to motivate students toward science and Technology. SSPACE is a "Centre of Excellence" in the field of Education and Research.

TRAINING & PLACEMENT

The T&P department has an esteemed & experienced team of members to organize & conduct the campus drive process in most effective and efficient manner.
