Subject: Gratitude for the for Soft skill development program on Spoken English and personality development.

Dear Sir,

I hope this letter finds you well. On behalf of Department Mechanical Engineering & all the students, I would like to extend our sincere thanks for conducting such an insightful and interactive session on the Soft skill development program for the academic year 2023-24.

Your guidance on crucial topics like Foreign languages specially spoken English, personality development, and professional behavior was highly enlightening. We are especially grateful for your valuable advice on the importance of academic excellence. Your words have motivated us to work harder and aim higher as we prepare for our future careers.

Thank you once again, Sir, for your continued support and encouragement. Your session has inspired us to put our best foot forward in building successful careers, and we look forward to applying the knowledge you shared.

Sincerely,
